Professional. Reliable. Secure.

3 yr.
Warranty

INCLUDED

AlphaCard **PRO 100** ID Card Printer

The most popular low-volume ID card printer, the AlphaCard PRO 100 printer makes it easy to print professional quality cards on demand. Backed by an industry-leading 3 year warranty, all PRO series printers include free lifetime support and a full year of AlphaCarePlus.

AVAILABLE OPTIONS:

Magnetic Stripe Encoding

Smart Card Encoding

RELIABLE & EASY TO USE:

- Single-sided dye sub printing
- Full color, monochrome, and thermal rewritable
- Single feed on-demand printing
- AlphaGuard watermark technology
- Industry-leading 3 year warranty with Pro-Xchange
- Lifetime AlphaCare & one year of AlphaCarePlus

Single-Feed
Card Slot

Efficient, On-Demand Card Printing

You'll be surprised at how intuitive the PRO 100 is to set up and start using. Designed for low volume printing, the PRO 100 uses a hand-fed process. Simply insert each card into the front of the printer; within seconds the printed card will be returned through the same slot. For dual-sided card designs, just flip each card over and run it through a second time. Great for small offices, the PRO 100 features a compact footprint that saves space.

4 Secure
Designs

AlphaGuard Watermark Technology

The built-in AlphaGuard technology allows you to add a hologram-like watermark over your printed card without any additional supplies. This added layer of visual security makes cards harder to tamper with or duplicate. Includes four secure designs which can be easily controlled with the intuitive printer driver.

Free Lifetime Support

Ready for the VIP treatment? AlphaCard promises to provide FREE support for the entire life of your printer! With AlphaCare you'll get direct access to our professionally trained technical support experts who have years of experience working with customers just like you.

In addition, AlphaCard PRO printers include a free year of AlphaCarePlus support, a savings of \$298. AlphaCarePlus goes above and beyond to offer world class, full service technical support:

- ✓ 1 hour of setup assistance & training
- ✓ VIP phone & email support
- ✓ 30-day printer upgrade program
- ✓ Free software updates
- ✓ Annual printer check-up
- ✓ Advanced configuration help

1 Year Free
\$298 SAVINGS

Industry-Leading 3 Year Warranty

We're so confident that the AlphaCard PRO Series printers are manufactured to the highest quality standards, that we back them with the best warranty and replacement program in the industry! Not only will you enjoy lifetime AlphaCare support, you'll also have the assurance that your AlphaCard printer is guaranteed to run smoothly for years.

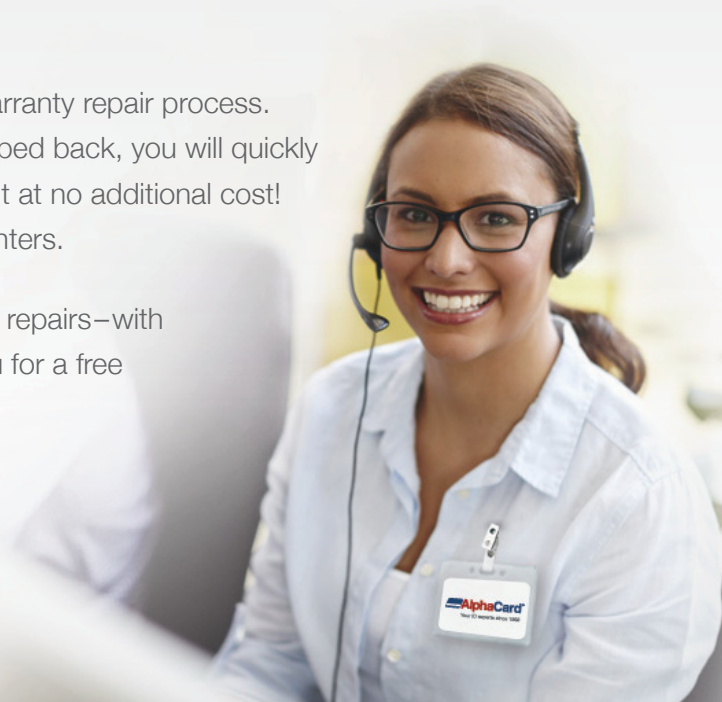

Pro-Xchange Keeps You Up & Running

The Pro-Xchange program takes the hassle out of the warranty repair process. Instead of waiting for your printer to be repaired and shipped back, you will quickly receive a comparable printer as a permanent replacement at no additional cost! This benefit is included with all AlphaCard PRO series printers.

This program helps minimize the downtime during printer repairs—with Pro-Xchange any warranty-covered problem qualifies you for a free replacement without the wait.

Pro-Xchange®
